2012 FALL FESTIVAL

Bring your family and join us for a day of fun at our annual Fall Festival on Saturday, October 13, 2012 from 11am to 4pm. Explore the barns, classrooms, fields and gardens. Meet the animals and see the displays from various 4-H programs and projects. Visit the tents and displays from local businesses. Get a bite to eat from one of the food vendors. Picnic near the pavilion and enjoy the entertainment. Take a hike around our beautiful 120 acre farm.

Come enjoy hayrides, face painting, our garden contests, sample our children's activities or wander through the corn maze. All activities combine for a good old fashioned day on the farm!

The Fall Festival is Auerfarm's biggest event of the year! We look forward to seeing you!
